

IDENTIFYING YOUR WORK VALUES

Read about work values in Skill 2. Then think about what your main motivation for working is.

Rank the work values in order of which fits best to you:

	Rank 1, 2, and 3 (1 = best fit)
Money, security, and status:	
Social connection:	
Self-expression:	

Do you think your work values may change over time? How and why?

How might this affect your future career decisions?
